

Linking Young Dreamers to Their Future

Chehalis, WA --- Golfers weather the storm to raise more than \$37,000 encouraging young athletes from the Chehalis area to continue pursuing their hoop dreams and more. The Pacific Mobile Structures, Inc. 6th Annual Golf Tournament proves those on a mission to help children can play golf through anything. A record turnout supported the [Pacific Athletic Center](#). More than 115 golfers participated, August 14th, the day record rain fell after record sunshine warmed Western Washington all summer. The golfers stayed for dinner, an auction, raffle, and raised their paddle, all in the name of scholarships and financial aid to ensure more kids can participate in basketball, baseball, softball and volleyball at the Pacific Athletic Center this upcoming school year. PMSI thanks all who participated, sponsored and volunteered to make the event feel sunny, despite the weather. [Click here](#), for more information on how you can assist the [PAC](#) throughout the year.
