

## Pacific Mobile Seattle Branch

4,200-square-foot Single-Story  
Office Building

Located in Marysville, WA

Time to Complete: 32 Days from delivery to occupancy

### Project Overview:

Upon entering the building, there is a vaulted reception area ceiling up to 10' with false columns and crown molding that is very unique in design. Outside of the reception area the ceiling steps down to 9' throughout the rest of the building.

### Highlights:

- Reception counter
- Waiting area
- 11 Offices
- Conference room
- Work/File room
- Storage
- Restrooms
- Custom cabinetry
