

## Pioneer Meadows Montessori School

10,080 Sq. Ft. Single-Story  
Classroom

Located in Ferndale, WA

Time to Complete: 132 days from delivery to occupancy

### Project Overview:

This school was built to accommodate preschool and elementary children between the ages of six and nine.

This large school has 4 interior classrooms, 2 exterior classrooms, library, staff lounge/kitchen and 2 administrative offices. The interior of the building was customized to include custom cabinetry and cubbies, granite countertops, Forbo flooring and Birch interior doors and trim. To help offset heat loss from the large exterior windows, a radiant heating system was installed throughout the building.

### Highlights:

- Oversized exterior windows
- Seamed metal roof
- 3' Overhangs
- Storefront canopy
- Granite countertops
- Kitchen facility
- Laundry facility
- Forbo flooring
