

Shoalwater Bay Medical Clinic

13,400 Sq. Ft. Two-Story
Medical Facility

Located in Tokeland, WA

Time to Complete: 240 Days from delivery to occupancy

Project Overview:

This medical clinic was built to accommodate the Shoalwater Bay Tribe with medical, dental, mental health and counseling services.

This two-story medical building was designed to blend in with the existing campus surroundings. Situated less than 200 feet from the Pacific Ocean, the clinic had to be specially engineered to meet a 100 mph exposure D wind rating. This building features an elevator and lifetime warranty fiberglass exterior doors.

Highlights:

- Two-story facility
- Elevator
- Exam rooms
- Reception/waiting area
- Restrooms
- Exposure D wind rating
- Permanent Foundation
