All buildings are sold "as-is" and the age and condition of the buildings will vary based on region and product type. Buildings should be inspected and signed off by the customer prior to delivery. Shipping, tax, and additional customer requests such as alterations/repairs will be in addition to the sale price and will be formalized through our quotation process.

View Floor plans, specifications, and photographs below. Please contact **Michael Thompson** for more information at [951.816.0977](tel:951.816.0977) or via [email](#). Available inventory is updated monthly and is subject to change.

Studio Apartments Available for Purchase and Immediate Delivery!

Fully Furnished, Ready to Move In, and Exceptional Investment Options.

Pacific Mobile Structures offers fully furnished single-occupancy studio apartments, each measuring 17x76 feet and available for immediate delivery. Each unit of this size consists of four private apartments. These units are currently on the market for just \$125,000, and they come complete with furnishings, making them an incredible deal at less than \$97 per square foot. To put this in perspective, building an accessory dwelling unit typically costs anywhere from \$200 to \$400 per square foot!

This presents a remarkable opportunity to acquire one or more of these buildings, accessory dwelling units (ADUs), or investment property units, which can be used as additional on-site living space or as rental properties.
